

A causa di un malfunzionamento del sistema informatico il modulo d'iscrizione on -line è stato disattivato per un breve lasso temporale. Si segnala che il form di registrazione comporta l'utilizzo di sistemi informatici e procedure software che acquisiscono comunque, nel corso del periodo di vigenza del bando, in una banca dati, le domande di partecipazione alla Apple Developer Academy a.a. 2019/2020. Pertanto, la validità dell'iscrizione è assicurata dalla presenza di almeno un'affiliazione priva di anomalie bloccanti, e sono ammessi con riserva **i candidati che abbiano documentato l'iscrizione, nonché quelli sollecitati dall'amministrazione che sono tenuti a perfezionare la stessa trasmettendo le informazioni/documentazioni obbligatorie previste** a mezzo mail pena il mancato accesso, in caso di ammissione, alla Apple Developer Academy.

L'Amministrazione si riserva di escludere in qualsiasi momento i candidati che partecipano alla prova indetta con il suddetto avviso per mancata osservanza delle disposizioni ivi impartite o nei termini indicati ovvero per difetto dei requisiti richiesti ai candidati. Ai sensi del D.P.R. 445/2000 le dichiarazioni rese nella domanda di partecipazione hanno valore di autocertificazione; nel caso di falsità in atti e dichiarazioni mendaci si applicano le sanzioni penali ai sensi dell'art. 76 del citato D.P.R. 445/2000.

Due to a malfunction of the computer system, the online registration form was deactivated for a short period of time. Please note that the registration form involves the use of computer systems and software procedures that acquire, however, during the period of validity of the notice, in a database, the applications to participate in the Apple Developer Academy a.y. 2019/2020.

Therefore, the validity of the registration is ensured by the presence of at least one affiliation without blocking anomalies, and candidates who have documented the registration, as well as those solicited by the administration who are required to improve the same by sending the information / documentation required by e-mail under penalty of failure to access, in case of admission, to the Apple Developer Academy, are admitted with reservation.

The Administration reserves the right to exclude at any time candidates who participate in the test called with the above notice for failure to comply with the instructions given therein or within the time limits indicated or for failure to meet the requirements of the candidates. In accordance with Presidential Decree 445/2000, the declarations made in the application form have the value of self-certification; in the event of falsehoods in false deeds and declarations, the criminal sanctions pursuant to art. 76 of the aforementioned Presidential Decree 445/2000 are applied.
