

Università degli Studi di Napoli Federico II Apple Developer Academy

<http://developeracademy.unina.it>

**THE PIER+
STUDENT CALL**

GIVEN the Law of August 2nd, 1990, n. 241 “Nuove norme in materia di procedimento amministrativo e di diritto di accesso ai documenti amministrativi” [“New regulations on administrative procedure and the right of access to administrative documents”] and subsequent amendments and/or additions;

GIVEN the applicable University Statute;

GIVEN the Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data - hereinafter EU Regulation 2016/679 - relating to the protection of individuals with regard to the processing of personal data, and the related National legislation of the Code regarding the protection of personal data, Legislative Decree N. 196/2003, as modified and integrated by Legislative Decree No. 101/2018;

CONSIDERING the Regulation of the University of Naples Federico II regarding the processing of personal data, issued with D.R. 2088/2019;

CONSIDERING the Scientific and Technological Cooperation Agreement signed between Università degli Studi di Napoli Federico II and Apple, for the establishment of the Developer Academy, for the training in the development of new applications and digital services, with the purpose - among others

- to provide students admitted to the Developer Academy with the necessary skills to become “developers” of innovative apps, i.e. professionals who can design, implement and commercialize innovative services on Apple technology platforms;

CONSIDERING the Addendum signed between Università degli Studi di Napoli Federico II and Apple, for the establishment of a course called “Pier+” for the academic year 2021-2022;

GIVEN the Administration Board decree of 25th July 2016 and 27th October 2016 with which the administrative and accounting management of the Apple Developer Academy courses has been entrusted

to the “Centro di Servizio di Ateneo per il Coordinamento dei Progetti Speciali e l’Innovazione Organizzativa dell’Università degli Studi di Napoli Federico II COINOR;

DECLARES

SECTION 1

(Announcement and number of seats)

This University announces a selection of 12 students to be admitted to the PIER+ at Apple Developer Academy. The selection refers to the academic year 2021/2022.

SECTION 2

(Requirements for participation)

In order to be eligible for the selection mentioned in section 1, the applicant must have already attended the Apple Developer Academy in Naples in the academic years 2016/2017, 2017/2018, 2018/2019, 2019/2020, and must have earned a certificate of attendance of the Apple Developer Academy.

Candidates get a provisional admission to the selection. The University might decide to exclude any candidate, at any stage of this selection procedure, if the requirements are not fully met.

SECTION 3

(Application for participation in the selection procedure)

To submit your application, fill in this form online: <https://airtable.com/shrIxRy0XWSUbc2q1> and upload the required content.

The on-line registration is available since the publication date of this announcement and will close mandatorily (and under penalty of exclusion from the selection procedure) at 2pm (CEST) of November 10th 2021.

Failure to comply with the regulations will prevent the admission to the selection and, in any case, result in an exclusion from the procedure.

All communications concerning the selection will be given exclusively via on-line publication on the Official Noticeboard of the Università degli Studi di Napoli Federico II (available on the University’s official website: www.unina.it) and by publication on the website www.developeracademy.unina.it.

SECTION 4

(Evaluation Committee)

The Evaluation Committee will be appointed after the final deadline for the submission of the participation applications. Its composition will be announced through a notice, published exclusively on the Official

Noticeboard of the University (available at www.unina.it) and on the website www.developeracademy.unina.it.

SECTION 5

(Publication of the ranking list)

The merit ranking list will be drawn up solely on the basis of an off-line evaluation conducted by analyzing the information submitted by the applicants through the application form.

In the event of a tie, the younger candidate shall prevail. The final ranking list will be published in the Official Noticeboard of the Università degli Studi di Napoli Federico II (available at www.unina.it) and on the web site www.developeracademy.unina.it.

The final ranking will be published before 15th November 2021.

SECTION 6

(Economic support funds)

Apple decided to award a financial support to the Pier+ students. This amount will be delivered every two months.

SECTION 7

(Procedure of acceptance)

The candidates admitted have to formalize their participation in the program by signing an agreement with which the admitted person undertakes to comply with the provisions of this selection notice, included the documents required in order to get the economic support.

Once the deadline for acceptance has expired, if there are any places left due to lack of acceptance or subsequent withdrawal, the ranking will be scrolled. Any scrolling and the relative terms for making acceptances will be made known exclusively by the publication on the website of the University of Naples Federico II.

Naples, 27th October 2021

The Scientific Director of Apple Developer Academy

Prof. Giorgio Ventre

SECTION 7

(Publication of the procedural acts)

This notice of selection and all documents attached will be published exclusively by on-line posting on the Official Noticeboard of the Università degli Studi di Napoli Federico II (available on the website www.unina.it) and by publication on the website www.developeracademy.unina.it.

The online publication in the Official Noticeboard of the Università degli Studi di Napoli Federico II has the force of notification with all effects and no personal messages will be sent to interested parties.

Therefore, it is recommended a constant consultation of the web links above.

SECTION 8

(Access to documents, Information regarding personal data)

Applicants have access to documents concerning the competition procedure, in accordance with the current legislation. This right will be exercised in the manner prescribed by the University Regulations laying down the rules on administrative procedure and the right of access to documents, issued with the Chancellor Decree n. 2386/98 and subsequent amendments and additions.

SECTION 9

(Privacy and information on personal data)

In accordance with the art. 13 of the EU Regulation 679/2016, the personal data collected will be processed for the purposes of the procedure for which they are released and will be used exclusively for this purpose and in any case within the Institutional activities of the University. The data controller is the University of Naples Federico II, in the persons of the Rector and the General Manager, in relation to their skills. Exclusively for problems concerning the non-compliant processing of personal data, it is possible to contact the Data Controller by sending an email to the following addresses:

ateneo@pec.unina.it; or to the Data Protection Officer: rpd@unina.it; PEC: rpd@pec.unina.it.

For any other requests related to this procedure, please contact instead COINOR at the following address: coinor@unina.it.

The concerned parties have the rights referred to the articles 15-22 of the EU regulation. The complete information related to the collection of the personal data processing in this procedure is reported on the University website <http://www.unina.it/ateneo/statuto-e-normativa/privacy>.

SECTION 10

(Final Provisions)

The University reserves the right to exclude at any time the applicants participating in the procedure pursuant to this notice for failure to comply with its provisions or within the time specified or for default of the applicants' requirements. The exclusions are made with a Chancellor's Decree. Exclusions will be notified exclusively by online publication in the Official Noticeboard of the Università degli Studi di Napoli Federico II (available at the site www.unina.it), as well as by publication of the exclusion decree on the website www.developeracademy.unina.it.

Please note that Annex A is part of this announcement. We strongly recommend to carefully read the aforementioned document.

Naples, October, 26th 2021

The Scientific Director of Apple Developer Academy
Prof. Giorgio Ventre
