

STUDENTS CALL FOR APPLICATION

GIVEN the Law of August 2nd, 1990, n. 241 “Nuove norme in materia di procedimento amministrativo e di diritto di accesso ai documenti amministrativi” [“New regulations on administrative procedures and the right of access to administrative documents”] and subsequent amendments and/or additions;

GIVEN the applicable University Statute;

GIVEN the *Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data* - hereinafter EU Regulation 2016/679 - relating to the protection of individuals with regard to the processing of personal data, and the related National legislation of the *Code regarding the protection of personal data*, Legislative Decree N. 196/2003, as modified and integrated by Legislative Decree No. 101/2018;

CONSIDERING the *Regulation of the University of Naples Federico II* regarding the processing of personal data, issued with D.R. 1226/2021;

CONSIDERING the Scientific and Technological Cooperation Agreement signed between Università degli Studi di Napoli Federico II and Apple, for the establishment of the Developer Academy, for the training in the development of new applications and digital services, with the purpose – among others – to provide students admitted to the Apple Developer Academy with the necessary skills to become “developers” of innovative apps, i.e., professionals who can design, implement and commercialize innovative services on Apple technological platforms;

CONSIDERING that, as provided for by the aforesaid Scientific and Technological Cooperation Agreement and the Exhibit A – Project Addendum 1, is established a training course called “The Pier Alumni”;

GIVEN the Administration Board decree of 25th July 2016 and subsequents with which the administrative and accounting management has been entrusted to the Centro di

Servizio di teneo per il Coordinamento dei Progetti Speciali e l'Innovazione Organizzativa dell'Università degli Studi di Napoli Federico II – COINOR;

CONSIDERING also that, for the academic year 2022/2023 it is expected that a total number of 60 students will be admitted to the attended The Pier programme after passing a specific selection

DECLARES

SECTION 1

(Announcement and number of seats)

This University announces a selection of 60 students to be admitted to the PIER Programme at Apple Developer Academy. The selection refers to the academic year 2022/2023.

SECTION 2

(Requirements for participation)

In order to be eligible for the selection mentioned in section 1, the applicant must have already attended the Apple Developer Academy in Naples or in remote for the Indonesian students in the academic year 2021/2022.

Candidates get a provisional admission to the selection. The University might decide to exclude any candidate, at any stage of this selection procedure, if the requirements are not fully met.

SECTION 3

(Application for participation in the selection procedure)

The application form must be submitted exclusively on-line through the following website:

<https://bit.ly/the-pier-call-2022>. The on-line registration is available since the publication date of this announcement, and will close mandatorily (and under penalty of exclusion from the selection procedure) at 6 pm (GMT+2) of 24th May.

To submit your application, fill in this online form: <https://bit.ly/the-pier-call-2022> and upload the contents requested.

Failure to comply with the regulations will prevent the admission to the selection and, in any case, result in an exclusion from the procedure.

All communications concerning the selection will be given exclusively via on-line publication on the Official website of Apple Developer Academy www.developeracademy.unina.it.

SECTION 4

(Evaluation Committee)

The Evaluation Committee will be appointed after the final deadline for submission of the participation applications. Its composition will be announced through a notice, published on the website www.developeracademy.unina.it.

SECTION 5

(Selection procedure)

The selection procedure will consist in an evaluation of the presented documentation and the criteria indicated in the point 3 of the Annex A.

SECTION 6

(Publication of the ranking list)

The merit ranking list will be drawn up only on the basis of the scores obtained with the evaluation.

In the event of a tie, the younger candidate shall prevail. The final ranking list will be published on the Official website of Apple Developer Academy www.developeracademy.unina.it.

The final ranking will be published before 07/06/2022. The selection procedure refers only to academic year 2022-2023.

SECTION 7

(Economic support funds)

In the past, the Academy has always received funds from Regione Campania, within the framework of EU-sponsored projects. Should funding be available also for the upcoming year, the applicants who successfully complete the Academy experience will receive an economic support. This kind of support will be subject to constraints that come directly from the Funding Entity (European Commission). Hence, Academy students will in such a case have to commit themselves to providing the Administration Office with any documents needed in order to prove that the requirements set forth by the Funding Entity are met.

SECTION 8

(Procedure of acceptance)

The candidates admitted have to formalize their attendance to Apple Developer Academy by signing an agreement with which the admitted person undertakes to comply with the provisions of this selection notice.

Once the deadline for acceptance has expired, if there are any places left due to lack of acceptance or subsequent withdrawal, the ranking will be scrolled, in accordance with the required profile. Any scrolling and the relative terms for making acceptances will be made known exclusively by the publication on the website of the Apple Developer Academy.

SECTION 9

(Publication of the procedural acts)

This notice of selection and all documents attached will be published exclusively by the publication on the website www.developeracademy.unina.it.

The online publication in the Official website of Apple Developer Academy has the force of notification with all effects and no personal messages will be sent to interested parties.

Therefore, it is recommended a constant consultation of the web link above.

SECTION 10

(Access to documents, Information regarding personal data)

Applicants have access to documents concerning the competition procedure, in accordance with the current legislation. This right will be exercised in the manner prescribed by the University Regulations laying down the rules on administrative procedure and the right of access to documents, issued with the Chancellor Decree n. 2386/98 and subsequent amendments and additions.

SECTION 11

(Privacy and information on personal data)

In accordance with the art. 13 of the EU Regulation 679/2016, the personal data collected will be processed for the purposes of the procedure for which they are released and will be used exclusively for this purpose and in any case within the Institutional activities of the University. The data controller is the University of Naples Federico II, in the persons of the Rector and the General Manager, in relation to their skills. Exclusively for problems concerning the non-compliant processing of personal data, it is possible to contact the Data Controller by sending an email to the following address: ateneo@pec.unina.it; or to the Data Protection Officer: rpd@unina.it; PEC: rpd@pec.unina.it. For any other requests related to this procedure, please contact, instead, the COINOR at the following address: coinor@unina.it.

The concerned parties have the rights referred to the articles 15-22 of the EU regulation. The complete information related to the collection of the personal data processing in this procedure is reported on the University website <http://www.unina.it/ateneo/statuto-e-normativa/privacy>.

SECTION 12

(Final Provisions)

The University reserves the right to exclude at any time the applicants participating in the procedure pursuant to this notice for failure to comply with its provisions or within the time specified or for default of the applicants' requirements. The exclusions are made with a Chancellor's Decree. Exclusions will be notified exclusively by online publication on the website www.developeracademy.unina.it.

Please note that Annex is part of this announcement. We strongly recommend to carefully read the aforementioned document.

Naples, 09 May 2022.

The Director
